## Suggestions for Identifying PCP:

1. Ask the patient their PCP and/or Clinic
2. Look in Powerchart at clinic notes. (Note, "Community Partners" do not use Powerchart)
3. Looking who is writing outpatient prescriptions, or whom outpatient consultants say requested the consult in notes.
4. Patients sometimes know their clinics by location (see above).
5. UNM Attendings/APPs will have "Internal Medicine" or "Family Medicine" in their Powerchart Electronic signatures

## Some common scenarios:

1. Patient admitted to IM in past, now has new FM PCP and has established care: admit to Family Medicine.
2. Patient admitted by FM in past, now has new non-FM affiliated PCP, or PCP is no longer on the list: Patient should NOT be admitted to Family Medicine
3. Patient of provider who has left the Family Medicine department (removed from list) and hasn't established with new PCP: we will admit up to 3 years from their last hospital stay or clinic visit.
4. If a patient has an upcoming appointment with a FM provider but has not yet established with that provider:
  - If previous admissions at UNMH to Internal Medicine, admit to IM
  - If no previous admission to Internal Medicine, admit to FM
5. If patient is currently on Hospice, but has either been admitted to FM, or seen FM provider in Clinic, with the past 3 years: admit to Family Medicine
6. Patients who receive addiction services at ASAP and have been referred to UNMH ER for inpatient Benzodiazepine or ETOH withdrawal: Admit to Family Medicine
7. Patients who are admitted to either FM or IM for Census Overflow should always go back to their original services on future admissions regardless of who wrote the DC summary.
8. Family Medicine Providers not on this list (aka not at UNM or one of the Community Partner clinics): Admit to Internal Medicine
9. Pediatrics Specific Information:
  - Less than 2 months: Admit to FM MCH
  - 2 months-18 years: admit to FM IPS per FM-Peds Services Line Agreement (See UNM FM Wiki)
  - Peds pts who reach age 18: Even MRN's go to FM, odd MRNs go to IM,
  - After age 19 if no PCP, admit to IM
